Our Lobbies Are Open

As you may already know, we reopened our branch lobbies several weeks ago. We have taken enhanced safety measures to ensure a safe experience for you and our employees. We are still asking, when possible, that you limit your visits to necessary lobby transactions and continue to use the drive thru lanes for your usual banking.

If you need to meet with one of our member service representatives for a loan or more involved transactions, you can request an appointment on our website or by contacting us by calling 989-249-8200 or 800-227-2328 to make an appointment.

Masks are required in all of our lobbies. We are also asking that you only come in if you are feeling well, and to please limit the number of people coming into the lobby to those necessary to transact your business.

Our coin machines are also available at all of our branches.

Be Aware!

Have you ever heard of a “money mule”? This is actually one of the scams that we are seeing more often lately. A money mule is someone who transfers funds for someone else that was acquired illegally. Money Mules are often recruited through email or a social media and offer easy money with little or no effort. They won’t call you a money mule, but you may be asked to receive funds into your personal account and transfer the money via wire transfer, mail, or a money service business. You are usually told to keep a portion of the money. Scammers often look for college students, retirees, those looking for a job, or even those looking for a relationship. Always use caution when there is a promise of easy money, and never agree to transfer money for other people.

Community Spotlight

Things have been a bit different the last several months, but Wildfire Credit Union employees are still participating in our pay to wear jeans on Fridays and we continue to raise money for these non-profit organizations who continue to help people in need. To date this year we have raised almost $7,000.
