Looking Forward to Seeing You Soon

As Michigan begins to slowly reopen, we are also making plans to open our lobbies for limited services. An email will be sent soon providing more information on our re-opening plans.

When we re-open, we will begin by taking appointments for mortgage, consumer and business lending needs as well as deposit services including savings, CDs, IRAs, checking and new accounts.

With our first phase of re-opening, we will not be processing any teller transactions in our lobbies. We ask that you continue to use our drive thru lanes for all transactions that do not require an appointment.

We look forward to seeing you soon, and are taking all the measures to provide you with a safe, clean environment when we do.

31st Classics Golf Outing—New Date

Out of concern for your health and safety, we have moved the date to September 24th, and we looking forward to seeing you then.

Each member may bring one guest, but all golfers must be age 50 or older. The cost per golfer is $50 for members and joint account holders; and $80 for non-members. The deadline to register is Friday, September 11, 2020. Please call 989.249.8262 or 800.227.2328 ext. 8262, to register.

Remember, the number of golfers is limited to 144, so sign up early.

*Please note due to the current situation, this is subject to change.
Shred Day
We are currently planning to again host our ever-popular “Shred Day” on Wednesday, July 15th. The truck will be at our Bay Road Branch from 10:00 a.m. – 1:00 p.m. (we have added an extra hour for your convenience). You are welcome to bring your personal documents (no businesses, please) that you want shredded. Please note you are limited to 4 grocery size bags or boxes.

For your health and safety we ask that you remain in your car and follow the cone line and put all shred materials in the seat behind the driver’s seat. Thank you for your cooperation.

Items that can be shredded includes white and colored paper, file folders, staples & paper-clips, checks & check registers, income tax returns and other confidential mail.

Items that cannot be shredded includes hazardous materials, batteries, clothing, heavy metal objects such as nuts & bolts, three ring binders, wood or glass, tools, lighters, plastic bags, x-rays, and prescription bottles.

*If we have to cancel or reschedule, we will post information on our website and social media.

Be Aware!
Do you use a payment app like Venmo, Zelle or CashApp? These Peer-to-Peer (P2P) payment apps make it convenient to send someone money. Unfortunately, the bad guys have started using them too.

Scammers are placing online ads for merchandise, or tickets to concerts or sporting events and they request payment through one of these P2P apps. They’re also using them for puppy scams, fake check scams and romance scams on social media websites.

P2P apps are designed to be a quick and easy way to send money to someone you know and trust. If you don’t personally know the person requesting payment through a P2P app, you shouldn’t use this type of payment app. If an online retailer or social media ad is requesting payment through one of these payments apps, it’s probably a scam. Once the money is sent, it’s gone. So be safe, and only use a P2P app when paying someone you know.

Community Spotlight
People Helping People, it’s something many of us do every day. Though recent events may change how we do this it’s still important to reach out, especially now.

We were happy to support the “Takeout Tuesday Takeover” event on Facebook by asking our Facebook followers to take pictures of their most recent takeout meals. Each week one random winner received a $25.00 Visa gift card. Additionally each participant was entered into a drawing for a $100 Visa gift card at the end of May. Thanks to all who participated in this, not only for your post, but for supporting our local restaurants.

Wildfire also partnered with WSGW, The Moose, WTLZ, and WGER stations to launch a program that let their listeners nominate first responders, frontline employees, essential workers or someone in need for a chance to receive a $25.00 Visa gift card from Wildfire Credit Union.

Our staff was also encouraged to nominate members, friends, first responders and others in need that could use a little extra help at this time for a chance to receive a $25.00 Visa gift card.
