Our Lobbies Are Open

As you may already know, we reopened our branch lobbies several weeks ago. We have taken enhanced safety measures to ensure a safe experience for you and our employees. We are still asking, when possible, that you limit your visits to necessary lobby transactions and continue to use the drive thru lanes for your usual banking.

If you need to meet with one of our member service representatives for a loan or more involved transactions, you can request an appointment on our website or contact us by calling 989-249-8200 or 800-227-2328 to make an appointment.

Masks are required in all of our lobbies. We are also asking that you only come in if you are feeling well, and to please limit the number of people coming into the lobby to those necessary to transact your business.

Our coin machines are also available at all of our branches.

Classics Golf Outing Update

Although we look forward to our Classics Golf Outing every year, for the safety and health of our members, staff, and the staff of the golf course, we find it necessary to cancel this year’s event. We are already looking forward to next year’s event when we can all gather for golf, food, and some fun!

Be Aware!

Vishing, a term that is a combination of “voice” and “phishing”, attacks using a spoofed caller ID, which can make the call look like it is coming from a known number or an 800 number, which may entice you to answer the phone. Often the caller will tell you that you have won a prize, but you will need to pay shipping and handling. There is no prize and now you have given them your credit account or banking information to pay for the “shipping & handling”. Please use extreme caution whenever receiving phone calls and always Be Aware!

Community Spotlight

It’s back to school time, and though that may look different this year, there is still a need for supplies for our school kids. This year through our Wildfire Facebook page we asked our Facebook followers to nominate teachers who they would like to see have a chance to win one of three $1,000 Visa gift cards to help with this year’s school expenses. We had an overwhelming response. Six finalists were chosen and the voting for the winners was also on Facebook. Our $1,000 winners were teachers from Meridian Elementary, Meridian Early College and Bush Elementary in Essexville. We were also happy to award our other 3 finalists a $500 Visa Gift Card. Those winning schools are, Arthur Hill High School, North Saginaw Charter Academy, and Bangor Lincoln Elementary. Thanks to these teachers and all the other dedicated teachers who educate and care for our children so they can continue to learn and grow.
