Seeking Your Thoughts

In an effort to always offer you the best service and most up to date products, Wildfire is launching a program that seeks your thoughts on the service you receive from us and the products we offer.

We will start surveying our members in June, and you may receive a survey asking for your input. These surveys will be delivered to you through your current email address we have on file. If you receive an email from WildfireCreditUnion@express.medallia.com, please take a moment and give us your feedback. We will never ask for any personal or financial information in these surveys. They are designed to help us serve you better.

We value your opinion, and will keep you apprised of changes that result from your survey comments. If you receive a survey, we encourage you to please take a few minutes to share your thoughts.

Be Aware!

Over the past several weeks we have become aware of a potential scam targeting new or recently refinanced mortgage members. Once the mortgage is closed and recorded, it becomes part of the public record. Then a letter, postcard or phone call is going out to let the member know they are eligible for a state-regulated Mortgage Protection Plan. This correspondence often mentions the lender. Wildfire Credit Union is not associated with nor do we endorse this plan, and we strongly encourage our members to disregard these communications. If you receive any form of communication about your mortgage with Wildfire and have questions, please do not hesitate to call our Mortgage Department at 989-249-8200 or 800-227-2328. We are here to help.

Welcome Back!

We are happy to welcome our members back into our branch lobbies. All of our lobbies are open for our members from 9:00 a.m. to 5:30 p.m. Monday thru Thursday and 9:00 a.m. to 6:00 p.m. on Friday. We continue to take extra measures to provide both you and our employees a safe environment to handle your financial needs.

If you have a more involved financial transaction and would like to set an appointment for a specific time, please go online to our website at www.wildfirecu.org or call our Call Center at 800-227-2328. An appointment will ensure that you do not have to wait for someone to assist you.

We look forward to seeing you soon.
