Community Spotlight

International Credit Union Week was October 15th – 19th. We hope that you had a chance to participate in some of the events we had going on including shred day, branch drawings, and donuts and cider.

On Tuesday, October 16th, employees of Wildfire Credit Union took to the streets to participate in “CU Lunch Local” which was developed several years ago during credit union week to encourage people to support local businesses. We took that message to heart and took lunch to several local businesses. It was a great opportunity for us to support local businesses and we had lots of fun engaging with everyone.

We also celebrated with our employees in some fun ways, including providing lunch from a local food truck. Another employee favorite is the Chili/Soup Cook Off. This was a great opportunity for our employees to show off their cooking skills and raise money for the United Way.

2019 Calendars are now available at all of our branches for pick up. This includes wall and pocket calendars.

the
Warmth

The cold winter weather is here and soon we will break out the hats and gloves to go with our winter coats. As we start to embark on the holiday season, it's time to be grateful for what we have and to lend a hand to those who are not as fortunate.

*Once again this year, Wildfire Credit Union will be launching our “Share the Warmth” campaign. Now through the end of December, please consider donating **new** hats, mittens, gloves, scarves and socks. You can buy them, knit, crochet or sew them; you can re-gift them; we simply ask that they be **NEW**.*

Simply stop by any of our Wildfire branches and drop them in the specially marked containers. At the end of December, we will work with area non-profit organizations to get them on the heads, hands, and feet of those who need them the most throughout the Great Lakes Bay Region.

As the Holiday Season is upon us, we find ourselves reflecting on the past year and on those who have helped to shape our business in a most significant way. We value our relationship with you and look forward to working with you in the year to come. We wish you a very happy Holiday Season and a New Year filled with peace and prosperity.
